MEMORANDUM FOR: Col. R. J. Affourtit  
Executive Secretary  
Department of Defense

SUBJECT: Comments on "Final Coordination: Draft of the FY 1986  
Annual Defense Report

Once again we appreciated the opportunity to review your draft report. As you can imagine, it is difficult to know how we can help make the document more accurate or supportive by intelligence. Notwithstanding, attached you will find some specific changes to the draft based on the recent SNIE on chemical warfare. I hope you will find these useful.

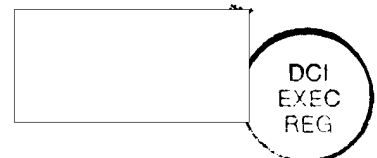

I was advised that, in this draft, the changes we had suggested in the earlier version have not been reflected. No problem--they may not have been what you needed; nevertheless, if they got "lost", you might resurface them.
